

The Howard County Striders' David Tripp Scholar/Athlete Awards for 2020

Application forms are now being accepted for the Howard County Striders' David Tripp Scholar/Athlete Awards. These awards totaled \$5,000, or more, in each of the past five years. They are merit (not need) based, and only Howard County residents, who are graduating seniors from a high school in Howard County, are eligible. The intention is to recognize both males and females as award winners, provided that there are deserving candidates.

The criteria for consideration include outstanding achievement in the classroom and as a runner in cross country, track and/or road races. Copies of the Application and of the Suggestions and Guidelines, are available at www.striders.net. If you think you may qualify, you are encouraged to apply. There are no restrictions on the number who can win awards from any single high school. The deadline for receipt of applications is Friday, April 3, 2020. (Note: this is a half day of school, and the beginning of Spring Break, which will extend until Monday, April 13th). If you have questions, please contact Dave Tripp at davetripp1@gmail.com or 443-745-3493.
